

RALLY RACER ALERT

April 13, 2010

VEHICLE DECLARATION OF CATEGORY

It has come to our attention that many teams have either, not declared the category their vehicle will be competing in, or have been using OTHER SANCTIONING BODIES published outlines for VEHICLE CATEGORIZING. NORRA is using the original vehicle description categorizing that existed and was published by NORRA circa 1967 - 1972. Please refer to the 2010 NORRA Competition Rules, page 4, (3.0 VEHICLES). If you should have any questions regarding the categorizing of your vehicle. Please do not hesitate to call Michael Noval, at 323-258-3034 to help clear up any questions you may have. For all competitors who have declared their category, please disregard this request. However, for the rest of you who have not declared your vehicle category, please turn your attention to this matter and help us resolve this loose end. Again, please refer to the NORRA Competition Rules and no other sanctioning bodies descriptions..
